

EMIR ROADSHOW

UK & IRELAND 2013

What's it about?

The EMIR Roadshow is a chance for you to come along, to a venue near you, and see what the latest version of EMIR has to offer you and your business. Whether you are an existing EMIR customer or have never seen EMIR before, you will be able to see EMIR in action and learn how it can help improve your business. From the core building blocks of the EMIR 'Modules' through to the many and varied EMIR 'Extensions', we will show you how EMIR can help improve your business and your customer service.

Who's it for?

Anyone who wants to see the latest EMIR functionality available – even if you are already using EMIR, we guarantee you will see new parts of EMIR that can improve your business control and customer service even further!

What's in it for me?

Anyone attending will not only see the latest EMIR offerings and learn about how EMIR can help their business, but will also receive special offers that will allow you get the EMIR functionality at special offer prices. These offers are exclusively only available to attendees and are valid for 12 months, so you have plenty of time to take advantage of them – **these offers will not be available anywhere else** – only to attendees! As a thank you for attending, lunch will also be provided for you.
